7. ☐ Examiner's Amendment/Comment
8. ☒ Examiner's Statement of Reasons for Allowance
9. ☐ Other _____

BRYCE P. BONZO
PRIMARY EXAMINER

Reasons for Allowance

The following statements by the Examiner describe the matter in the Appeal Brief which was found overcome the prior art of record.

The Appeal centered around the "fault tolerance" aspect of the claimed invention. While no actual fault tolerant activities are claimed, the specification (page 1, lines 19-27) as noted the Appeal Brief delineates very specific criteria as to what components must be present and how they must act within the claimed "fault tolerance software system."
